

I oppose S.B. No. 184 (RAISED) AN ACT EXTENDING THROUGH NOVEMBER 8, 2022, SEVERAL CHANGES REGARDING ELECTION ADMINISTRATION AS A RESULT OF COVID-19 AND CONCERNING ELIGIBILITY TO VOTE BY ABSENTEE BALLOT.

Absentee Ballots compromise chain of custody. In 2020 51,000 Absentee Ballots were requested, mailed to voters, and were never received back. No research has been done to find out what happened to these absentee ballots. This is a big issue that has be resolved before we spend more money mailing more ballots into a black hole!

If you recall, all over the news were pictures of people waiting hours to either get a covid test or vaccine. If they can be on line for that, they can most certainly vote in person. Absentee ballots should be reserved for the sick, frail and people away for work or vacation during the election. I am 77 and I vote in person!!

Drive up voting is something to look into, that could help a lot of people.

Thank you,
